QR Code Link to This Post Lilly is my name. A young girl rescued my sister and me from a very neglectful situation. We were covered in fleas and very hungry. She feed us and bathed us; contracted fosters from 2Pawsup Rescue. My sister was adopted right away because you humans go by looks not personality. My fur is slick; therefore, my pictures do not show my longish fur. I have a tiny black spot on the bottom tip of my nose; which is hard to see in a picture. My face is broad and I am going to have a small ruff. Enough about my looks, I have the best personality; sweet, loving, patient, and smart. I like other cats, laser pointer and laps. I am independent and needy. I am independent because I can play by myself as well as with other cats and humans. I use the litter box and I can sleep alone; but, also like sleeping with other cats. I am needy because I need a human lap in which to sit, human hands to pat me and feed me. I am telling you if you want a cute pretty cat with great personality adopt me, Lilly.

Adoption fee of \$115 includes spay, microchip, vaccines, deworming, FIV/FelV testing, and flea prevention
