Maybe you have a child or kids and your struggling right now. I'm willing to take in your child/or kids until you get on your feet.

I can not begin to tell you how much of a blessing it would be for us to have another baby /or child in our lives.

I want to thank you so very much for having the courage to read this ad.

Please email if you have any other questions you would like to ask or you would like to speak with me!
