QR Code Link to This Post The title is not vague at all! Allow me to come clean your house from top to bottom, getting places you haven't since you moved in.

About me? I am sane I just love to clean and am looking for a side gig to make extra bill money this week. I will come over any day and your rate will depend on the amount of square feet to be cleaned & the severity of the home. I can bring my own supplies or use yours, just message me to discuss our arrangement further!

PS unless you reside in Lewiston Auburn I require a minimum of 4 hours of work for.
