QR Code Link to This Post We need someone to rip up bamboo flooring today - around 36 sq ft. It's bamboo flooring on top and linoleum/tar underneath (all needs to be ripped up, taken out). Getting the glue out under the floor is the toughest part of the job.

If this goes well, we have 3 other rooms that need the floor ripped up next (over the next day or two).

We need you to start today right away.

If interested, please respond with

- what tools you have available for the job
- what types of flooring demo jobs have you done in the
