I have been working with Elderly people for the last 14 years, and I am looking for job Part/full-time . I am a CNA/HHA certified by the American Red Cross and with a lot of experience as a PCA and companion as well.

I am a trustworthy, reliable, patient and caring person. I would care for your loved ones as care for mine.

Please email me back if you think I can fulfill your needs. References upon request.

Thank you and have a great week.

Please seriously inquiries!

P.S. email me with job description, where do you live, so we can talk!
