

Save aluminum for our shelter

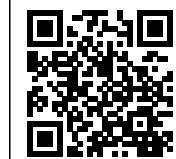

Location

Idaho

<https://www.genclassifieds.com/x-777409-z>

QR Code Link to This Post Please save up all your misc aluminum cans, disposable baking pans, etc for the Idaho Humane Society. They recycle and use the \$ for all the pets in the shelter. They have a chain link kennel in their parking lot to drop them off in and also any of our local Zamzows also have the kennels outside for them. This is a great way to donate if you can't afford cash!
