QR Code Link to This Post This is Shelly. She is a Treeing Walker Hound mix. My best guess is with a Blue Tick Hound. Shelly is an amazing dog, 2.5 years, but I am unfortunately learning that my lifestyle does not work for a hound. She is a good house dog, its outside that's a challenge. She bolts anytime a gate is accidentally left open or accidentally gets off leash. She is just a wanderer. So she needs a home where she can get Hound specific training in this area. That being said she needs a fenced yard and lots of exercise. She is such a lover and is very smart. Please text or call me with serious inquires only. She deserves the best, someone who knows hounds.
