QR Code Link to This Post I'm not looking for trades and I'm not accepting offers, the price is absolutely firm so please respect that and don't lowball, the computer looks and runs like brand new, it only has 15 battery cycle counts and has no scratches or dents, I rarely used it, I'm only selling it because I need the money alot more then I need the laptop, please don't waste your time pitching a lowball because the price is absolutely firm, I'm headed back to Boston in a few hours so if you want it just text or call me, I'm Matthew and my number is â€(978)-962-1060

The laptop is an early 2015 13" Macbook Pro Retina with 16GB Ram, 3.1GHz i7, 512GB Flash Storage, it comes with charger and Apple care warranty until Nov
