QR Code Link to This Post I am a male professional photographer specialized in Boudoir photography, offering photoshoots in the Biloxi/Gulfport area.

\$50 for an hour photoshoot. If you book a shoot before Christmas, you get \$10 off.

I have a mini mobile studio kit, so I set up and do the photoshoots in the comfort of your home, so you're guaranteed safety and privacy. Your pictures will not be posted anywhere without your consent. I normally plan to meet in person prior to the shoot, to explain what is expected in the photoshoot, show some samples and to make sure we're familiar with each other.

If interested, email or text me for more.
