QR Code Link to This Post Freelance sound engineer's I'm looking for a Fill-in Substitute to run sound when I'm not available temporally a few days a month

About the gig : 6:30pm -10:30pm Tuesday-Saturday -- Pay is $80 + dinner
6:30- 7:30 Setup Stage(grab mic's etc from 3rd floor{stairs involved}setup micstands, mic's,DI's, run xlr's & turn on stagelights)
7:30ish Band Hits (run soundboard monitors and house)
9:30ish Breakdown Stage(put all mic's in crate , wrap all cables , breakdown mic stands turn off lights , take mic's to 3rd floor)
very rarely the gig's go more then 4 hours , Pay is $20 per Hour for any extra
