QR Code Link to This Post I have a room available for rent with a private bathroom in Manchester, MO. Near town and country and castle wood park.

You will have a private bathroom and the option to rent a parking space for \$15/mo (otherwise, uncovered community parking is free). I have WiFi, Hulu, and Netflix so there is no need to pay for those, you can just use mine and it's on me.

Rent is \$450 a month with a \$300 non-refundable deposit.... or, \$525 a month with a \$150 refundable deposit.

I have a washer and dryer in my apartment you're welcome to use.

It's a two bed two bath layout, so there will be privacy. Also, it has a back deck that's perfect for relaxing.

Please, no creeps.
Women only.

Must have a job, and proof of income. Respond ASAP if you're interested.

A little about me:
Full time employed female, early twenties, introverted and shy, lover of dogs.

I am a smoker but only smoke outside (I hate the way houses smell when smoke is in them, soaking into the walls and etc). I only drink socially, and eat a lot of sushi.
