QR Code Link to This Post Norfork Lake Arkansas, nestled in The Ozark Mountains sits a surveyed 25 acre gem of pristine forest and fertile fields.

An excellent location, secluded and hidden for your dream home or cabin. Whether it be retirement, get-a-way spot or new home - Norfork Lake is a couple minutes down the road for launching, fishing, swimming and lake fun.

Drilled well, electricity, wet weather creek, ponds and fencing. Concrete pad for an RV or two. Cleared area for solar panels, a huge garden, couple of cows, horses even chickens.

Mature trees, wildflowers and because of the privacy, white-tail deer, wild turkey, squirrels and rabbits call it home.

Low taxes, no restrictions. Immediate possession.

Owner/broker. \$169,500.
