QR Code Link to This Post Looking for a babysitter to help take care of a 4 month old and a 2 year old for 5 hours on Saturday December 20th from 3:00 pm - 8:00pm. The gig pays $20 per hour. Cash at the end of the night.

We are having a holiday party at the residence and require the individual to monitor children while parents are with guests and preparing for the party. You will never be alone with kids and we will always be here.

Looking for someone with experience, professional and availability. We are in Freeport, NY so someone who lives in the area and available for a meet without hassle would be great.

!!
