QR Code Link to This Post Looking for a photographer to shoot a private holiday party at residence of about 40 guests for 4 hours on Saturday December 16th from 4:00pm - 8:00pm. Paid cash \$200 at the end of the night and its a shoot and go gig. Meaning at the end of the event, you hand over the memory card with the images, memory card will be provided. No editing is needed and I will sign a document that specifically gives me rights to use the images for personal use that includes positing to social media and photographic editing. You must own a DSLR and have a portfolio that showcases your photographic ability. Must be on time, professional and preferred if you lived on the Long Island for commuting purposes, if not, that is fine.

This will be xmas party and in the evening, so situations will be low-lit in some cases, best to be have some form of external flash or a way to light the room properly if needed. Must be available for a phone call and in person meet if you live within the Nassau limits.

Looking for clear communication.

Thank You.
