QR Code Link to This Post Hi, I'm visiting NH for Christmas and would be willing to bring up a dog/cat or puppy/kitten for those who are looking. I will be transporting these animals myself. If you would like to give a good home to an animal in need, please respond with what you are looking for. Age? Size? Breed? Gender? Good with kids, cats, other dogs? I will be traveling to the Southern NH area and you will need to pick up. I love animals and there are more animals than homes for them down here and I want to help. There will be a fee. Thank you! Let me know what you are looking for and I will try to help! Merry!
