QR Code Link to This Post hello, my name is Jill. I'm currently a stay at home mom with my almost 6 month old son, Jacob. I'm looking to care for one child in my home. We reside in Derry, NH with our dog, and cat. Jacob's best friends are the pets, they love him too! (Very kid friendly). I have a safe and reliable vehicle.

I have my CNA certificate, CPR certified, and completed some nursing school. Caring for others makes me my happiest. I have cameras in my home so you will have access to watch them live anytime during childcare. I'm a very active person so I enjoy keeping busy. Jacob is already very mobile.. I can guarantee your child will be very entertained with us!

I'm a very motivated, loving person, and have a ton of patience.

Your child will be treated with as much care and attention as my own. He/she will always be fed (when needed), clean and I will do my best to make sure he/she is comfortable and happy.

I'm looking to work a minimum of 20 hours on weekdays/ morning.

If interested please message me and we can discuss more and set up a good time to meet each other:

Thank you
