QR Code Link to This Post Hi I am new to New Jersey and I recently got married and I'm searching for a nice house for rent or lease option to buy. My last marriage hit my credit hard in a negative way and this is haunting me now. Me and my new husband work and make a good income and I'm trying to rebuild and fix my credit and also his credit. We don't have any Co-Signer just cash and would be willing to put a larger security deposit or pay a few month upfront in advance. We do have a service animal but we are very clean and the service animal is trained to behave. I would like to stay around Toms River/brick NJ if possible. If you can help in anyway we would greatly appreciate it my info will be included . (317) 827-070seven my name is Tammie and the most we could pay per month is \$1,700.00 let me know
