QR Code Link to This Post More than 40 high percentage kiko cross bucks are heading to market Dec. 13 at Verdigre Livestock Market. Sure hate to see some of them turn into goat chops. Biggest ones were born early April 2017 and more than ready to be your herd sire. Come pick yours out before noon Tuesday. Add some Kiko advantages to your herd...Parasite resistance, great mothering, better hooves, rapid weight gain. Hay and forage only operation. Ready for your pasture/ They have their winter Nebraska coats!
