The smart way to go is leave that endeavor to a professional, save your time and let me, a very experienced commercial real estate agent, take over. I'll be paid through the landlord's agent so NO out of pocket to you. Just reply with your criteria or call and I'll get going on it. Typically a I'll have an availability report to you within 24 hours. Choose the spaces you want to see and I'll arrange the tour. Then, with your input, I'll negotiate a lease. Simple as can be.

I'm an expert office space and warehouse finder (and negotiator). Take advantage ;)
