QR Code Link to This Post Hello,

I'll be a part-time ski instructor at Loon this season and need to commit to 24-32 days. Looking for a place to stay in the area but only needed for approximately 20-25 nights. Willing to pay on a per night basis including a chunk up front. Internet preferred but not necessary. Just need parking for my car and a decent place to sleep for the days I've committed to. I'm very clean, quiet, and considerate. Price negotiable. Thinking 20-30 is fair per night. Would only be there if skiing the next day, otherwise commuting from Boston area. !
