

# LG Steam electric washer and dryer with pedestal bases (400 USD)

Location **New Jersey**  
<https://www.genclassifieds.com/x-777965-z>

QR Code Link to This Post I have a large LG Steam washer and dryer. The color is white They are both electric. Each has a minor scratch or two on the side. They cost about \$1,000 each new. I also have the pedestal base with drawer for each. They cost \$250 each. So, my total cost was \$2,500.00. I am asking \$400.00 because that seems to be a good deal less than what they are selling for used. All are in good working condition. They are currently in storage and need to be removed by the end of the.
