QR Code Link to This Post For sale is an awesome 2008 Ford F350 Supercab pickup and 2003 Alpenlite Portofino 36 foot Fifth Wheel RV.

First the truck.... 2008 F350 Supercab Dually with a 6.4 Turbodiesel and automatic transmission. The truck has 116,000 miles on it, and has been babied and well cared for the 5 years we have owned it. It has NEW tires put on it this past May. The 100,000 mile service was completed recently by Team Ford. Oil was changed again at 110,000 miles. It has also had NEW brakes and upper and lower ball joints replaced this past May as well. There are air bags installed complete with an onboard pump to inflate them. Total spent this year alone exceeds \$3500 keeping this truck in top condition! The truck comes with a fifth wheel tailgate, but the regular factory tailgate is included as well. (It's in my garage now...)

Now for the fifth wheel... This is a 2003 Alpenlite 36' Portofino (model) with 3 slides. Research Alpenlite, and you will find that these units are extremely well made in Washington State. Everything on this fifth wheel works great! Few fifth wheels have a king sized bed like this fifth wheel! New tires (\$\$\$) were installed in May 2017. It also has a Full Sized 2011 stainless steel Kitchen Aid refrigerator, as well as a central vacuum system and dishwasher, a powered awning, ducted heating and air conditioning, dual pane mirrored windows, (no one can see in during the day) an outside shower, Samsung TV, a digital powered antenna system, stereo and cd player. Both air conditioners (15,000 btu and 13,500 btu) are new and have been replaced in the past two years. Not to forget the full sized stackable Frigidair washer and dryer and 6500 watt propane fired Cummins generator as well. The front hitch has been upgraded to a Trail Air system that is designed to absorb road shock and works GREAT! This hitch was over \$1000 by itself. Don't miss out on this great fifth wheel and truck combo!

See the pictures, and give Jack a call at if you'd like to see this great combination. We are simply upgrading to another truck and fifth wheel, so here's a chance to pick up this great combination in excellent condition for a great price. Come make us an offer we can't refuse!

Dealers please note! DO NOT call offering to sell for!
