QR Code Link to This Post Have you ever volunteered or worked on pre-hurricane outreach missions, in NYC or elsewhere? If so, I'd like to talk to you via video chat or in person if you live in NYC. I'm researching a novel that takes place before a hurricane. I have not published a novel before, but I've published short stories in several literary magazines and have an MFA in creative writing. Please send me an email if you're willing to help.!
