QR Code Link to This Post 2003 Grand Prix GT for sale, front number is now damaged, had 16x,xxx miles, is a very good car will never die on you. Needs a new muffler and outer tire rod on front driver side . Car still runs great. Customly put in radio. Back of car is lowered and the front is higher. Driver seat needs to be replaced. Will post more pictures when I can .

3.8 6 cylinder
 This car will need some work .

Recently had front shocks and wheel bearings replaced, and front tires and alternator. needs back tires.

Email me if interested. Price
