QR Code Link to This Post Listen it don't take a face to be a doer, unless you are a Headline Grabbing Fame Hog like Hillary. Humility IS Faceless! But y'all Chest Pounding Liberals don't know nothing about that! Y'all still don t get it! The War On Corruption has NOTHING TO DO WITH POLITICAL BELIEFS, but has EVERYTHING TO DO WITH LOSING OUR PATRIOTIC FREEDOMS, which is business as usual concerning Liberal Policies & Procedures. That should be obvious to y'all by the lengths Hillary went to cheat her own Democratic competition out a fair campaign, to steal the election, "AND STILL LOST!" But that's to be expected when the BLIND IS LEADING THE BLIND!

Even Black People Are Starting To Get It, Too bad Y'all Liberals aint! Well, gotta go & and get back to being a doer, and creating jobs, instead of waiting for the postman to deliver my liberlistic, government monthly subsidy handcuff! Thanks again for listening "No One", and if you listen long enough, maybe you might just learn something!
