QR Code Link to This Post I am selling a like new xbox one. It comes re-packed in original box as new. Would make a great gift! This xbox one also comes with an additional authentic wireless controller. All pieces look pristine and have been re-packaged back for someone new to enjoy. System has been cleared of our usage except for a Minecraft download to the 500GB hard drive. Comes with all power cords and HDMI cable, ready to go! We just don't play Xbox anymore so we are hoping someone else will be able to enjoy it. I am in Independence and can also meet you nearby if that's convenient for you, day or evening. I respond to emails quickly but will not hold for longer than a day once we've agreed on a deal. Check out all the pics...it literally looks like it's brand!
