QR Code Link to This Post Red/orange used LT230E Quadrunner front fender for \$55, and rear fender piece for \$59. Used with some cracks repaired with some zipties but very functional. If you get both \$79 or I will throw in the blue front center grille at no charge, other wise it is \$26.

Also have some foot pegs/rests, the larger style ones that attach to the black pieces bridging the gap between the rear fender and the \$53 for both footpegs style that has attachments for Black plastic fender flare.
