QR Code Link to This Post Are you tired of shoveling snow? If so, Crosshair Construction is here to help. We are licensed and insured and we provide free estimates and references to anyone considering hiring out their snow removal. We use snow blowers and shovels to avoid damage to your lawn and concrete. We will clear the driveway, sidewalks and steps for a reasonable rate. We also do roof raking for those who may need it. We can also take care of commercial sidewalks and smaller parking lots. Give me a call today.
