Ideal location not far from I-40 highway which doesn't have near the slow traffic that Moore and Edmond does.

Close to lots of shopping, two different Supper Wal-marts and Out Let Mall all 10 minutes away

I the owner live 15 minutes away and have things fixed in a timely manner. This is important no red tape to hear from owners out of town or state. IF THE PLACE YOUR LOOKING AT TO MOVE IN IS A MESS, DO YOU REALLY THINK THEY ARE GOING TO FIX ANYTHING AFTER YOU MOVE IN!!!

Low deposit, this is a good thing, be careful when you rent a new home or newly remodeled with a high deposit, you can be charged for anything.

When your lease TERM is up you rent from month to month and do not have to worry about breaking a lease. This is important if you are building or looking for a new home.

To break lease TERM (UNLESS PAYING MONTH TO MONTH) pay an extra months rent with your rent along with a hand written signed and dated 30 day notice. (SOME PLACES WANT TWO MONTHS OR FOR YOU TO PAY FOR THE REST OF THE LEASE)
