QR Code Link to This Post I have 32 or more of 2' x 4' tube light fixtures for sale. Great condition. Great for your garage or shop.

Convert these into LED bulbs. The original tube bulbs are in the fixture, powered by 240 Volts. These were working when I removed them from a T-bar ceiling during the remodel. These are a drop light fixtures or hang them to the ceiling.

Asking \$20.00 each. Take one or all of.
