Im rehoming my male husky named Katy. He was born on Oct 15. 2017. Utd on all his shots. And fully potty trained.they are neutered. He is tri colored. Toasted marshmallow color is what his fur coat color is best described as. He is your typical husky. Energetic friendly to everyone and an escape artist. He is very well bred and has gorgeous ice blue eyes that are mesmerizing. No aggressive at all. He is very handsome and gets all the attention when we are out. Nothing is wrong with him the only reason why i want to rehome him is becuase i want a wolf hybrid. Thank you. Please message me if interested. Its sad im rehoming him cause i do love him hes a good dog but i cant have 2 dogs at my apartment. He is also very social and loves the dog park. Give me your best offer guys!!
