QR Code Link to This Post This is my meticulously maintained Honda Odyssey van. It is a full-size van, fully loaded with 3 rows! We are the 2nd owners and got it in 2007. It is in excellent condition inside and out. This van is completely original from the exterior to the interior, down to the drivetrain. The exterior is very strait and gorgeous. The engine and transmission are in perfect working order! 3.5L V6/ Automatic. Very smooth and quiet drive. No slips, hiccups, or leaks. The low mileage absolutely reflects this van in every aspect. I routinely change the engine and transmission oil and follow a preventative maintenance plan. For me, dependability is a must. Recent maintenance done with records! It is excellent for long trips and mechanically tight. Awesome tires. I have a clean Oklahoma title for this van. I'm asking \$3,900 Obo
