QR Code Link to This Post First off thanks for taking the time to read this . My girlfriend and myself and our two well behaved animals ( 1 small dog & cat ) are looking to move if possible by the end of December. We are looking for a condo, duplex , townhome, or whatever you have to rent . We don't have a whole lot of money saved up but we would have some to put down if you would be willing to work with payment arrangements we would be able to have all funds available within the first month I have a great Job that I have been at for 6 years and good rental history . We would love to be in Gresham but Northeast or Southeast would work as well. and any other location we would consider as well . Thanks for taking the time to read this and we hope to hear from you soon . Our budget is between \$750.00 - \$1200.00

\*\*\* We will not send money for keys so please no out of state numbers. We MUST be able to meet you in person and tour the house inside and out so DO NOT waste our time or yours with a b.s. listing or a B.S. email how you're out of state or country . I Will state again we must meet in person and no money will change hands untill then and a lease is!!\*\*\*
