QR Code Link to This Post The entryway to our farm is old and looking run down. I have gates and a decent sign, but the posts need replaced for sure, and I'd like to make it much more artistic. We have logs here we can use, and have a quarry just up the road to get stone...just looking for some ideas and a bid.

I'm also wanting to put up a gazebo or decorative area where folks can get married (we had 4 request for weddings last year, but had no nice space to host in/at). I have some ideas, but could use a professional opinion.

I don't have a ton of cash, and would like to be able to do some of this work in barter, but right now just need to get some bids and professional.
