QR Code Link to This Post I'm searching for a labrador, golden retriever or a labradoodle around the middle or end of January. Full blood male or female. I'm open to colors. This will be a family pet, we are not breeders. We do own our own home with a huge stockade fence and you're more than welcome to come check out our home. With that being said we are looking for a oops litter or a possible non registered puppy. But all of that can be discussed later. Please email me! Thank you!

-Edit!-

I'm no where looking for a free puppy! I'm prepared to pay a fee! I was just seeing if there might be a little wiggle room on the price or one could be rehomed with no!
