Please leave your call back number for more information he comes with vet check. Shot records and paperwork. Rehome fee applies he is one pound will not be over five full grown. He is less then all the other teacup dogs on here. I'm asking a reasonable rehome fee for him not 350\$ like others are asking I'm up front and honest about his fee! Stop flagging my ad because there are chorki pups and Maltese pups on here for 350\$ to 500\$ please go flag thier ads. Your only stopping him from getting a loving.
