QR Code Link to This Post Hi my name is Mike. I'm a very personable and energetic 58 yo gay man. I just happen to be very good at cleaning and organizing. :) I am retired from a real job and like to stay busy. I've been cleaning houses for a few years now. I have several homes that I take care of on a regular basis. Totally honest and trustworthy.

Very reasonable. I charge by the job not the hour. I use my own supplies unless you have preferences. I would be more than happy to come meet with you if you like. Animals are not a problem. References are.
