QR Code Link to This Post We supply regular fresh (mostly live) feed for your Carnivorous Reptiles (also for raw feeding dogs, cats, or other carnivores). We specialize in young/small rabbits, but have a large variety of poultry, and even swine options.

Variety in the diet can be an important part of keeping carnivorous animals healthy and instincts strong. All animals are raised with care and provided a constant flow of clean drinking water, nutritious food and clean, dry bedding, so you can be sure of their quality and consistent nutritional value/health.

Pinky rabbits are \$5 live, increasing to \$10 for fuzzies, \$15 for hoppers, and \$20 for juveniles-mature rabbits also available. Frozen is half price (or less, if you buy).
