Since 1977, we have made that calling our priority by providing quality Christian education for families in the Columbia Gorge area. At Horizon, we are dedicated to helping each student develop their full potential by encouraging academic excellence, integrity, Godly character, and a passion for life. We stress a challenging academic program taught by caring, experienced teachers using the highest quality curriculum integrated with a biblical worldview.

Horizon Christian School is accredited by the Northwest Accreditation Commission (NWAC).

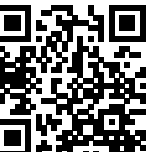

As an accredited school we are a member of one of the nation's six regional accrediting associations. Approximately 1,656 public and private schools in the Northwest region are accredited by the NWAC. Being accredited indicates that we subscribe to a process of accountability and voluntary self-regulation that is a constructive experience designed to improve the quality of the school. Accreditation is just one way of ensuring that our school meets specific review standards including minimum environmental standards, a valid school improvement plan, an on-going self-study and on-site peer evaluation process.

Our pre-kindergarten is fully licensed by the State of Oregon.

Tuition & Fees - Fees and tuition are based on grade level. Discounts are given for families with multiple students.
