Brand new 18" and 20" take off Tires and Rims from 2017 and 2018 Ram 2500 and 3500 Trucks, 8 Lug, 10 ply, Load E Firestone TransForce AT and HT tires available with less than 50 miles on them. These trucks drive from local dealers to a conversion company and then are taken off the trucks hence no miles. They all still have the little nubs on the road surface of the tire. These fit most Dodge and Rams from 1994-2017 2500 and 3500 3/4 and 1 ton trucks. They come factory balanced with the oem Ram tpms, no lug nuts, price these sets up for tires, oem tpms, mounting and balance they are not cheap just bolt them on and go.

Typically the below are available,

All prices are firm,

I am not a business I do this out of my house and this is a hobby you are saving huge when you buy from me, just go price them

No trades

I only have on hand what is listed as quantity

Shipments usually every 2 weeks

No idea what I will be getting in and when

Can not get dually's

Do Not separate tires and rims sets only unless listed

Can usually order 18" and 20" 1500 5 lugs sets black or chrome come with goodyear wrangler SRA's

Cash only can process a credit card through paypal but add 3% as thats what they charge me.

Email me your name, phone number and which ones you are interested in and I will contact you promptly, please only respond if you want to buy a set, the prices are firm and I will adjust them as they.
