QR Code Link to This Post We are looking for:

A photographer who is able to use Digital SLR to capture fast moving dancers in low-light conditions at our super fun monthly dance party. The Jai Ho! Dance Party also features Bollywood-Bhangra dance lessons and performances. You will work closely with our creative director Prashant to take memorable photos of a fantastic dance party. We need a photographer for our next event on Saturday, December 30th. Compensation will be \$100 to work between 10pm-midnight. Please attach a portfolio or some event photography to give us a sample of your work. We are looking for an on-call photographer to help us with future events, so if we feel you are a good fit, we may have more gigs for you in the future!

About Bollywood Dreams Entertainment, LLC:

Pursuing the artistic vision of Prashant Kakad, Bollywood Dreams Entertainment (founded in Feb. 2010) is a dynamic production house team focused on the creation of enticing, engaging & memorable Bollywood-Bhangra inspired music & dance.
