QR Code Link to This Post Need a logo designed? I'll be glad to help! All logos only \$80. No extra or hidden fees.

I have several years of logo design experience and can pretty much design one for anything that needs one. (Company, store, team, band, clothing line, etc)

I also design Business cards, flyers, brochures, postcards, invitations, and more!

All final logos include a high res vector copy you can use for all your web and printing needs!

Shoot me an email and I'll gladly send you previous work I've done.

Thanks for looking and I look forward to working with you!
