A Global Technology And Consulting Company Is Searching For Men And Women Who Work In Manufacturing, Healthcare, Retail And Utilities For A Campaign About The Future Workforce And The Value Of Human Experience.  
The Campaign Will Celebrate The Intangible Wisdom And Skills That Come From Real, Hands-on, Human Experience.  
They'd Like To Get To Know Real Workers, Hear Their Stories, And Learn What Qualities They Have That Artificial Intelligence Doesn't.

Who Are We Looking For:

Men And Women With 18+ Years Of Experience In Fields That Have Been Affected By Changing Technology.

No Actors! No Experience Necessary.

You Would Just Be Talking About What You Do.

Real People Who Are Currently Working In The Fields Listed Below:

Retail - Grocers, Bookshop Owner, Travel Agent, Shoe Salesman, Etc.

Utilities - Machinists, Excavators, Water Treatment, Sanitation, Gas Operations, Welders, Etc.

Manufacturing - Any Kind Of Factory Worker

Pay Would Be \$100+.
