QR Code Link to This Post I'm rehoming my 4 year old cat, because of moving and can't have pets. She's an indoor cat, sweet and healthy. She eats both dry and wet food. She's spayed and has all her shots. She will come with her carrier, litter box, food and water bowl. There is a small rehoming fee to ensure she gets a loving home. Please feel free to email me if interested or want more.
