QR Code Link to This Post Our dog was recently euthanized, so we have food and treats that I would like to give to another dog or dogs. I called a local animal rescue and, unsurprisingly, they will only take sealed items. So, what we do have that's unsealed is a large container of Royal Canin Maxi Sensitive Digestion Dry Dog Food (it came in a 30-lb bag and there's probably about 2/3 remaining), as well as two opened bags of Old Mother Hubbard treats (I'm not exactly sure what flavors/ingredients because I'm not in front of them right now, but one is definitely peanut butter).

We also have a bottle of Cosequin and a bag of Greenies Pill Pockets, each of which are more than half full.

You'd have to pick them up this week on Wednesday or Thursday afternoons/early
