PROJECT DESCRIPTION:

'80s nostalgia helped put Stranger Things on the map, so it's no surprise that Netflix is channeling another beloved era for its next new dramedy. Described as a quirky, funny coming of age story,

Everything Sucks! follows an A/V club and a Drama club who collide in 1996 Oregon. The show will consist of 10 half-hour episodes, created by Like Crazy writer Ben York Jones and Save the Date director Michael Mohan,

who will executive produce along with Jeff Pinkner, Scott Rosenberg, Josh Appelbaum and Andr   Nemec.

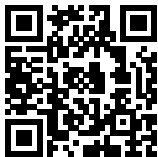

Everything Sucks is now casting new talent in Oregon City, Oregon. Casting directors are seeking talent to work on scenes filming on Thursday, August 10th in Oregon City, Oregon. Producers are seeking people to play parents, teachers,

cheerleaders, and other types. This is the final month of filming!

\$ 244 / Day
