QR Code Link to This Post Spencer is a stunning morkie guy. Meaning that he is a mix between a Maltese and a yorkie He is a stunning guy and is a tri color guy. He is house broken and crate trained. He does well in the car and knows some basic commands. He is up to date on shots and is intact. He is just over a year old so still a baby at heart. He just wants a family to spoil him.

He is up to date, house broken and crate trained. He is good with dogs, cats and loves kids. There is a rehoming fee to ensure a good home. If you would like more info please email or text me. I would not be considering parting with any of my dogs if it was not for a major medical issue and I have come to realize that I can not give them the time that they need with 3 operations behind me and at least 3 more coming its not fair to any of them to not have me home as much as we would.
