They have been to the vet and are healthy House pets with no problems with worms, ear mites, eye infections, etc.... There is one male and one female. I am asking 500\$ for one and \$1000 for both to be sure they get good homes, If interested message for more info.. Thank you. 12 weeks old bulldogs. Needs a good home. we have realized that we do not have the time to devote to pet ownership. Very good disposition and gets along well with other dogs. We are requiring a \$500 re homing fee to make sure they gets a good home. Pictures available if you email my address. Thank you. My daughter's pretty ones. They are approximately 12 Weeks old. They look so beautiful and cute,,,,,,Up to date on all shots. We got them from our daughter.....

. Even though they are very sweet and loving they want to be too dominant to our time and I don't want that for us because they so young and don't want them to end up over taking our time. They are fixed, potty trained and once again very loving. they are great for middle ages kids and a stay at home parent. No small because they are pups. If you don't have time for them they aren't for you. Will make sure they go to the right home.

Re-homing fee for shots and basically make sure they can be taken care of. Thanks for reading for pics email me## beautiful French Bulldog Puppy M/F need a forever home . Very good family dogs.
