Jeff Diamond wowed the event crowd.....

We hired Jeff to preform at an annual fall party that Char and I host at the end of August each year. His had the crowd singing and dancing all night. We also asked him to work a set in with the evening fireworks, which he done with a patriotic theme. Jeff was able to combine the theme with his vocals and expert guitar picking to overwhelm the crowd. Needless to say, we have asked Jeff to preform again this year.
