QR Code Link to This Post Sin is a word/term used in archery. It means,, "To miss the mark/ Bulls-eye". God says ALL have sined and missed the mark. We need to hit the mark of righteousness/ perfection to make it to Heaven. To be in relationship with our Father in Heaven. Jesus Hit the mark, HE IS RIGHTEOUS. He paid the debt that we can never pay, to make it to heaven. The wages of sin is death, and then, destruction in the lake of fire. Turn towards God and ask Him to give you eternal life. A new life in Christ Jesus. Until you realize first and foremost, you have rebelled / sinned against a loving, holy and just God, and you need a savior and His forgiveness, you are lost forever. Humble yourself and call on Him.
